

Photo of actual item:

This Gulf Stream is in excellent condition and has been used less than 10 times. It has not been on the water in 2 years .

Gulf Streams come with a skeg, not a rudder.

See this website for more information on skeg VS rudder.
http://www.kayakshops.com/waterwalker_articles/rudder_v_skeg.htm

Length 16'10"

Width 23.75"

3 hatches for gear storage

Great for day paddling or overnight trips.

To quote the manufacturers:

"It's highly maneuverable and appeals to those who want to make their kayak dance with a tilt of the boat and a stroke of the paddle".
